

LILITH

with Marina Caruso

#43

*Her house sinks down to death,
And her course leads to the shades,
All who go to her cannot return
And find again the paths of life.
— Proverbs 2:18-19*

*Her gates are gates of death, and from the entrance of the house
She sets out towards Sheol.
None of those who enter there will ever return,
And all who possess her will descend to the Pit.
— 4Q184*
